## Senior Club

Saturdays (10:30A.M to 6:00P.M)

# Guided Study Programme

Mondays to Fridays  
4:00P.M to 6:30P.M

- Periodic sessions on study techniques learning strategies and skills.
- Weekly sessions on human virtues.
- Study camps to help students cover more grounds.
- Regular correspondence between parents and tutors to set targets and keep track of students performance.

GSP is an after school programme that helps secondary school students acquire the important habit of personal study. With the guidance of a tutor, each student draws up a well-structured personal study timetable and is expected to achieve two hours of intense study every day. This includes, completing assignments, revising/studying school work and studying ahead with new topics. Periodic tests are conducted to also evaluate progress of students.
